

BIOGRAPHY

To say Angelspit is “cutting edge” is an understatement. Their music throws the listener in the middle of a war zone. Their live shows ARE a war zone. Their design and fashion is fierce. Their photography is visually arresting. Their artwork is bold striking. Angelspit have blazed a path lures their audience into something dark, horrific and beautifully menacing.

Hailing from Sydney Australia, known for vicious guitars, slamming drums and intelligent, relevant lyrics – with a twist of sarcasm.

Currently based in the USA, Angelspit has launched eighteen releases since their inception in June 2004.

Angelspit has played many major European festivals (Mera Luna, Summer Darkness, Wave Gothic Treffen and more), toured North America, Europe, UK and Australia. Angelspit has shared the stage with acts such KMFDM, Skinny Puppy, Frontline Assembly, Front 242, Sisters of Mercy, Nitzer Ebb, Lords Of Acid, Legendary Pink Dots, and many others. The band’s music and performance have been recognized, critically acclaimed and slammed through numerous media outlets.

Angelspit is masterminded by Zoog Von Rock (Vocals and Sonic Demolition), with George Bikos (Guitars), and many other musical, visual and video artists.

Angelspit has inspired and motivated new generation of musicians and artists with their encouraging DIY ethos.

FxCK THE REVOLUTION. THIS IS WAR.
