

## Biography Cadavian

Cadavian was born in 2011. The Band represents the dark unseen site of an ignorant and pervert society, blind followers - undead victims. Their music is a mix of

"Bad Ass Rock" and "New Metal". Cadavian was signed by "Cross Art records" in 2012.

Since that time, all songs was recorded and produced by "Stefan Kautsch" at the "Sonarklang Studios" in Haltern am See - Germany. The first single "F.I.S.T"

was recorded in summer 2012 and released a few month later as worldwide download.

The Band started recording the full album "Happy Corpse day" in January 2013,

and played every single instrument LIVE by themselves without any additional soundsamples, keyboards or any guest musicians. In between the german online-radiostation "schwarze-welle.de" released some songs of the new album on their compilations. For one compilation, Cadavian recorded a very special christmasversion

of the song "Happy Corpse Day". The song is called "Happy Christmas Day" and only available on the Schwarze Welle - "Dark Season" Compilation worldwide.

The album "Happy Corpse Day" was released in october 2013.

Since then it is available in stores and downloadstores.

Currently the band is working on new songs and a brand new musicvideo.
