Tim Gedemer (lead guitar) was born and raised in the Valley (sun and death). He picked up an \$18 guitar after seeing Dylan in 'Don't Look Back' and idolized his older brother (lead singer) who died in a motorcycle accident. Tim Jumped into the L.A. session scene, played with nearly everyone, Spirit, R&B, Seeds, you name it he played it. Spent summers in mountains, winters in studios. 'Better acoustics in caves.' 'He keeps Gers Racing honest, but watch out for shady brown eyes.'
