

Winter's Edge is a metal project I (Jeremy Lawler) decided to form together after the original Winter's Edge band separated that I created back 4 years ago.

At this point as a Guitarist/Lyricist I had enough material for an album and so rather than focus on starting on a new band,

I went for a different approach and searched for various musicians from different ranges of metal, that were either in unsigned or signed bands around the UK, Europe and America that would like to join my project.

The musicians from my first album The Ferryman's Eyes are Ian 'Monty' Montgomery - (Vocalist from Sea Bastard, Hole In The Sky), Dave Hartley - (Vocalist from Spinning Death Machine), George Bell - (Bassist from Mask Of Judas), Darren Gadd - (Drummer from Aggrothesis, Seraphim), Charley Jones - (Vocalist from Sensoria), Jack Willson - (Symphonic Keyboardist from Locked In Syndrome), Ramo Baramia - (Guitarist from Winter's Edge), Dominic Upton - (Bassist from Noisy Toyz, Everlust), Daisy Brookman - (Vocalist from Seventh Seeker), Carsten Hille - (Vocalist from Javelin, Earacle), Selina Robinson - (Drummer from Seventh Seeker), Jof Walsh - (Drummer from Mask Of Judas), Jeremy Farfan - (Guitarist/Vocalist from Winter Nights), Daniel Ristic - (Drummer from Doomed From Day One), Sam Bell - (Guitarist from Mask Of Judas), Johanna Shiu - (Flute/Viola musician from Taller Than Jane) and more. \m/

The album is a concept album based on the story of (The Ferryman) explaining his life story and who he actually is hence the album title is (The Ferryman's Eyes).

You can now buy the album off iTunes and Amazon and BandCamp \m/
